Circular No. EXAM-SUPP-2025

Dated 10 January 2025 · With effect from 15 January 2025

Supplementary Examinations: Eligibility, Application and Fees

1. Eligibility. Only students whose latest result in a course is FAIL or ABSENT may apply for the supplementary examination of that course, as provided in clause 8.3 of the Academic Regulations. Detained students are not eligible and must re-register.
2. How to apply. Students apply online as follows: (a) log in to the student portal and open the Examinations tab; (b) choose "Supplementary registration" and select the eligible courses shown; (c) pay the fee online before the last date; (d) download the hall ticket three days before the first examination. Applications are not accepted by email or in person.
3. Fees. The examination fee is payable per course, as below. Fees once paid are not refunded.

Item	Fee (INR)
Supplementary examination, per course	600
Late fee (up to 3 days after the last date)	300
Revaluation, per course	750

4. Schedule. Supplementary examinations for odd-semester courses are held in January and for even-semester courses in July. The exact dates are published on the examinations notice board.
5. Results. Results of supplementary examinations are published within 30 days. Internal assessment marks are carried forward under clause 8.4 of the Academic Regulations.
